Sir:

In response to the Official Action of November 13, 1979, please amend the present application as follows:

IN THE SPECIFICATION:

In the first sentence of the specification, after "1977" insert --now U.S. Patent 4,161,527, issued on July 17, 1979.--

IN THE CLAIMS:

Cancel claim 22 without prejudice to the subject matter thereof.

R E M A R K S

The claims are 15 to 21.

The above amendment inserts the status of the parent application in the specification, per the Examiner's requirement.

Moreover, claim 22, the only rejected claim in the case, has been cancelled. Accordingly, only allowed claims remain.

Applicants look forward to receipt of a Notice of Allowance.
